The approximate area for the single car garage attached to Apartment Number Three is 303 square feet; the approximate area for the single car garage attached to Apartment Number Four is 303 square feet and the approximate area of the two car garage attached to Apartment Number Five is 508 square feet.

4. Ownership of an apartment carries with it the ownership of an undivided interest in all general common elements and facilities as defined herein. These general common elements and

facilities, which shall be owned as tenants in common, shall be the land on which the building is erected, the foundations, the main sanitary sewer and water lines and service lines outside the building walls, the walls, floors, ceilings and roofs of each apartment and of the building (except the interior surfaces and except partition walls within individual units), exterior stairways, garbage collection area, driveways, parking lot, dock, sidewalks, outside electrical lighting units, landscaping, shrubbery, retaining walls and general improvements to the grounds, lawn or harbor front, pipes, wires, conduit and other public utility lines which are utilized for or serve more than one apartment, facilities and personal property required for the use of personnel engaged in performing services other than services within a single apartment, and all other devices or installations existing for common use and defined as General Common Elements by Section 499B.2 of the 1989 Code of Iowa.

The owner of an apartment shall be deemed to own the cupboards, counters, plumbing fixtures and walls or partitions that are contained wholly within the particular apartment and shall be deemed to own the inner decorated and/or finished surfaces of the perimeter walls, floor and ceiling including paint, wallpaper, linoleum, carpeting, etc. which are deemed to be a permanent part of each apartment, and may be repaired or replaced by the apartment owner but never wholly removed. The owner of each apartment shall be solely responsible for the maintenance, repair, replacement, restoration of each apartment unit including plumbing and lighting fixtures, heating and air-conditioning equipment, refrigerator, dishwasher, disposal, range or other equipment connected with such unit for its exclusive use, except as otherwise provided.

In the event pipes, wires, conduits or other public utility lines run through one apartment which are utilized for or serve one or more other apartments, a valid easement for the maintenance of said pipes, wire, conduits, or other public utility lines shall exist and in the event any part of the building is partially or totally destroyed and later rebuilt, repaired, or restored as hereinafter provided, a valid easement

for replacement and maintenance of said pipes, wires, conduits or other public utility lines shall exist.

5. The patios, driveways and back entrance sidewalks are for the exclusive use of the respective apartments, but repair and maintenance shall be a common expense.

6. The fractional interest which each apartment bears to the entire Horizontal Property Regime is one-fifth.

7. In the event of damage or destruction of all or part of the property covered by this Horizontal Property Regime, 4/5th of all the apartment owners shall be determinative of whether to rebuild, repair, restore or sell the property. In the event the decision is made to rebuild, repair or restore, the insurance proceeds shall be used in payment of such work and any costs in excess of the insurance proceeds shall be paid forthwith upon completion of the work, 1/5th by each owner of each apartment unit subject, however, to the individual unit owners' obligation set out in paragraph 4 above.

8. The administration of this building shall be vested in the Anchor Bay II Owners' Association consisting of all of the owners of apartments subject to the provisions herein. This Association shall be the "Council of Co-owners" within the meaning of Chapter 499B of the 1989 Code of Iowa and have all powers and authority granted to it by said Chapter, including, but not limited to the responsibility for the maintenance, repair, replacement and restoration of the common elements and facilities and the making of assessments chargeable to owners.

All sums so assessed but unpaid shall constitute a lien on the respective apartment prior to all other liens, except only (1) liens for taxes and assessments lawfully imposed by governmental authority against such apartment, and (2) all sums secured by mortgages of record. Such lien may be foreclosed by suit by the Association or its representatives in like manner as a mortgage of real property provided that thirty (30) days written notice of the intention to foreclose shall be mailed postage prepaid, to the owner as shown by the Associations record of ownership as set out below. The Association or its

representatives shall have the power to bid in such apartment at foreclosure sale and to acquire, hold, lease, mortgage and convey such apartment. Suit to recover a money judgment for unpaid common expenses shall be maintainable without foreclosing or waiving the lien securing the same.

The term owner as used in this Declaration and in the Bylaws shall mean record holder of title to the apartment and shall include a contract purchaser in possession. In the event of multiple, corporate or fiduciary ownership of an apartment unit, said owner or owners shall designate a person in writing filed with the Secretary of the Association, said person to act as owner in connection with the voting rights and administration referred to in this declaration and bylaws. Notices to be given by the Association are properly given to the owner or owners of the respective units if given to this designated person. Each apartment shall be entitled to have one vote but not more than one and that vote may not be split. The owner of an apartment in Anchor Bay II shall be a member of the Association and shall remain a member of said Association until such time as ownership ceases for any reason.

9. All agreements and determinations lawfully made by the Association or its Board of Officers shall be deemed binding upon all owners of apartments, their tenants, guests, successors or assigns. Failure to comply with the Declaration, Bylaws, decisions, rules, resolutions, agreement and determinations of the Association or its Board of Directors shall be grounds for an action to recover damages or for injunctive relief.

10. No owner of an apartment may be exempted from liability for contributions toward common expenses by waiver of the use or enjoyment of the common elements and facilities or by the abandonment of the apartment unit.

11. The apartment units shall be used for residential purposes only and unless agreed upon by all unit owners, the leasing or renting of a unit to a non-owner shall be limited to a minimum period of seven days. No lease shall relieve the owner as against the Association and other owners from any responsibility or liability imposed by the condominium documents.

12. Voting by an apartment owner may be by written proxy filed with the Secretary of the Association.

13. No apartment unit may be sold without also conveying to the same purchaser that apartment's interest in the common elements. Likewise no sale or conveyance of an interest in the common elements and facilities can be made without a sale or conveyance to the same purchaser of the corresponding apartment unit.

14. Incidental damage caused to a unit through maintenance by the Association shall be repaired by the Association as a common expense. If a unit owner failed to maintain a unit, the Association may assume the same as a common expense and levy a special assessment against the unit collectible as other assessments.

15. No unit owner shall make any alteration or improvement to or extension into any common element or facility or remove any portion thereof without approval of the Association.

16. No owner of a unit shall convey, mortgage or lease any unit unless and until all common charges assessed and accrued have been paid.

17. The Association may:

- A. Regulate or prohibit the ownership of and use of pets, motorcycles, or other power driven equipment.
- B. Control the erection of For Sale or other signs.
- C. Assign and authorize all boat dock equipment and lifts.
- D. Regulate or assign designated parking areas.
- E. Restrict parking of boats, recreational vehicles and equipment of a similar nature.
- F. Adopt, amend and enforce other reasonable restrictions and regulations relating to the use and enjoyment of the premises.

18. No animal pens, sheds, fences or other outbuildings, wires or structures of any kind shall be erected by any unit owner on any common area except that unit one and unit five may erect a dog kennel no longer than 5 feet by 12 feet in the side

yard abutting said unit. No noise or other activity shall be allowed which unduly interferes with the peaceful possession and proper use of the property by its owners, nor shall any fire hazard or unsightly accumulation of refuse be allowed. All laws, ordinances and regulations of governmental bodies shall be observed by the owners and the association. A steel pole and basketball hoop may be installed along an owners driveway.

19. Each unit owner covenants and agrees to pay the separately metered utility expenses, to maintain a minimum year round temperature of 40° Fahrenheit within the unit and to turn off the water to the unit if expected to be unoccupied for seven days or more.

20. A unit owner shall be liable to the Association for the expenses of any maintenance, repair, or replacement rendered necessary by his or her act, neglect or carelessness or by that of the owner's family, guests, employees, agents or lessees, which liability shall include any increase in insurance rates resulting therefrom.

21. It is understood that the construction of this building utilized a unique technique creating an air seal or barrier on the outside walls, unit perimeter walls and upper level ceiling. Because improper penetration of these surfaces could destroy this seal, there shall be no such penetration without Association approval.

22. Notwithstanding any other provision herein or in the Bylaws, Developer is irrevocably empowered to transact on the condominium property any business relating to construction, sale, lease or rental of units, including the right to maintain models, offices, signs, employees, equipment and materials on the premises. This right shall continue until all Condominium Units have been fully developed and sold.

23. This Horizontal Property Regime is constructed on two lots in First Addition to West Okoboji Harbor, which has five voting rights in the West Okoboji Harbor Lot Owners Association. These votes shall be cast identically and shall be cast by the Anchor Bay II Owners' Association.

25. This Declaration may be amended in either of the following manners:

- A. By written amendment duly executed by all owners and filed with the Dickinson County Recorder, or
- B. Written notice of a proposed amendment shall be given all owners. Such notice shall designate a time and place for a meeting to consider such proposed amendment which time shall be not less than 30 nor more than 60 days from the date such notice is actually given. The place of such meeting shall be at the apartment of the President. At such meeting the amendment shall be adopted upon approval of 4/5th of the apartment owners.

26. Notwithstanding the above and the provisions of the Bylaws, the Developer shall retain the right to name all officers of the Association who need not be owners of units until all units shall be sold or July 1, 1990 whichever shall first occur. Developer shall be required to pay assessments for all units held by it.

In witness whereof, we have hereunto set our hands this 16 day of June, 1989, at Spirit Lake, Dickinson County, Iowa.

4. The fiscal management of this Association shall be subject to the following:

A. The Executive Board shall adopt a budget for each calendar year which budget shall include the following accounts:

i. Current expense, which shall include all funds and expenditures to be made within the year for which the funds are budgeted, including a reasonable amount for contingencies and working funds. Balance in this fund at the end of each year may be applied to reduce the assessments for current expense for the succeeding year.

ii. Reserve for deferred maintenance which shall include funds for maintenance items which occur less frequently than annually.

iii. Reserve for replacement which shall include funds for repair, replacement required because of damage, depreciation or obsolescence.

iv. The budgets for ii. and iii. above may be zero as determined by the Board.

B. The budget assessments shall be made prorata according to the percentage assigned to the apartment in the Declaration and shall be prepared prior to the December 15 preceding the year for which the budget is made. Such assessment shall be paid in two equal payments due on the first day of January and July of the year for which the assessments are made unless the Association provides otherwise. If no budget is prepared and no annual assessment made the assessment shall be presumed to continue at the same amount as the previous year. In the event the annual assessment proves to be insufficient the budget and assessments may be amended at any time by the Board but only at a special meeting after notice of said intention to amend the budget is given to all property owners.

C. If any apartment owner shall be in default of the payment of an installment, the Board may accelerate the remaining installments of the assessment upon notice to the apartment owner and the entire balance shall be due within ten (10) days of receipt of such notice.

D. Assessments for non-emergency major improvements shall require the affirmative vote of four (4) owners. Major improvements shall be defined as those costing more than \$1,000.00. This provision shall govern notwithstanding the developer's retention of control until all units have been sold.

E. Assessments for common expenses as a result of emergencies which cannot be paid from the annual assessments for common expenses shall be made only after notice of the need thereof to all apartment owners. After such notice and upon approval by four-fifths (4/5) of the owners, the assessment shall become effective and shall be due within thirty (30) days of notice thereof.

F. An accounting shall be made of all Association accounts at least annually. The majority of the owners or of the

Board may require an audit by an independent party.

G. No notice need be given to the Associations' annual meeting nor the Board's annual or regular meetings.

H. When a mortgagee or purchaser of a unit obtains title as a result of foreclosure of a first mortgage, such mortgagee or purchaser shall not be liable for the assessments chargeable to such unit due prior to the acquisition of title. Such unpaid assessments shall thereafter be deemed to be common expenses collectible from all unit owners including the mortgagee or purchaser. The owner of a unit pursuant to a voluntary conveyance shall be jointly and severally liable with the grantor or prior owner for all unpaid assessments.

5. The Board shall, at the request of the owner or mortgagee of an apartment, report in writing any unpaid assessments due from the owner or the fact that said assessments are paid.

6. Any instrument affecting an interest in real estate may be executed by any two officers upon authorization of the Executive Board.

7. In the event the lien of the Association shall be foreclosed as provided in Section 499B.17 of the 1989 Code of Iowa, the apartment owner shall be required to pay a reasonable rental for the apartment and the Association shall be entitled to the appointment of a receiver to collect the same.

8. No modification of or amendment to the Bylaws shall be valid unless set forth in writing and duly recorded. These Bylaws may be amended by the Association at a duly called meeting for such purpose. No amendment shall take effect unless approved by the owners representing at least four-fifths (4/5) of the units.
